*A gift opens the way
and ushers the giver into the presence of the great.*

Proverbs 18:16

In a couple months we will say good bye to Pastor Mark and Susan and say hello to Pastor Alex and his family. Floors wear out over time as does paint on the walls. The administrative board thought this change would be an excellent opportunity to refresh these things in the parsonage. The time frame that we have to complete this is limited with painting to start June 15th and flooring will be done shortly after if we meet our goal but before Pastor Alex and his family move in around July 1st. Thankfully the lower level floors and painting were redone in 2024 as a result of the flooding.

Would you consider donating to help us update?

We have gotten estimates and

Painting of the upper level is \$3973.50

Flooring is \$10,536.29

Total is \$14,505.79

Painting was last done in 2012 while the floors were refreshed in 2010.

Would you help us with refurbishing these items in the parsonage?

We thank you for your help!
